Sub: **Spurt of volume in Shares of the Company**

Respected Sir or Madam,

With reference to the above, it has been noticed that there is sudden spurt of volume in Equity Shares of the Company since October 2022 and volume has reached near to 71.36 Lakh Shares on 7th November 2022. Price of Shares is also moving upward on daily basis.

Further, spurt of volume in Equity Shares of the Company is not backed by any news, published or unpublished nor there any material development which can cause to rise in price and/or volume in shares of the Company, except the Financial Results for the Quarter / Half Year ended September 30, 2022 which have already been published by the Company and is available on Company as well as BSE Website.

We request you kindly to look into the matter so as investors should not disguise or others should not take undue benefit of the same.

Kindly take the same on your records and oblige.

This is for the information of Members.

Thanking You,

Yours Faithfully,
For **GREENCREST FINANCIAL SERVICES LIMITED**
